Future Focus: How Forward Thinking
Creates More Sustainable Businesses,
No Matter What Happens

Our 5th (and final) webinar featured two expert change-makers who specialize in helping individuals and businesses build a radically different and positive future.

Panelists Pascal Finette (*Co-founder of [be radical](#) and SingularityU's Chair for Entrepreneurship & Open Innovation*) and Jeffrey Rogers (*Principal of Learning & Facilitation at [be radical](#)*) shared their battle-tested strategies to help you prepare for the “unknowns” and thrive in trying circumstances.

If you're inspired by their ideas and want to explore more, they also suggest further reading.
